

EMBA PROJECT

The EMBA project provides students with an opportunity to apply classroom learning to address an issue of significant importance to an organisation. The project is approached as a management consultancy assignment.

It requires students to explore key facets of the problem faced by the organisation and recommend alternative solutions. It is a challenging assignment, combining decision-making ability, teamwork, working under pressure, and an integrated approach towards management.

WHY EXECUTIVE MBA AT LUMS?

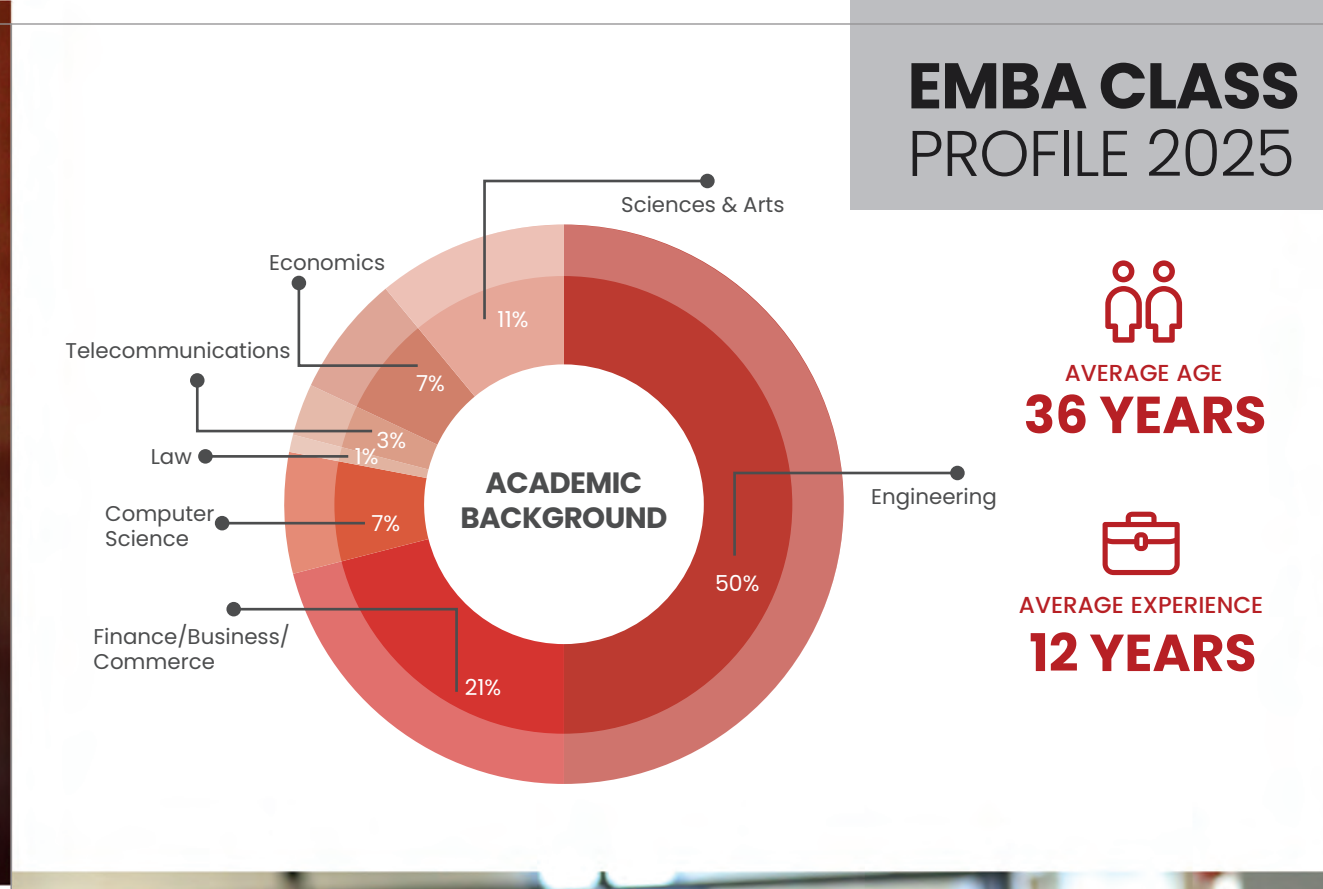

SULEMAN DAWOOD SCHOOL OF BUSINESS

Founded in 1985 as a not-for-profit, LUMS has pioneered innovative educational trends. The expanse of research and teaching at LUMS offers its community 'Learning without Borders' by breaking academic, geographic, and socio-economic barriers to enhance students' academic exposure and make education accessible to all.

Suleman Dawood School of Business (SDSB) at LUMS is the only business school in Pakistan accredited by AACSB. To date, less than 6% of the business schools globally are AACSB-accredited. Since its inception, SDSB has developed highly skilled graduates who have proven their ability to lead, transform, and create long-lasting changes in business and society.

PROGRAMME DESIGN

The Executive MBA (EMBA) programme is spread over 22 months, which includes 4 week-long sessions (2 week-long sessions in the first year, 1 after the end of the first year during the summer for the Globalisation Module, and the last week-long session at the end of the second year for the EMBA project presentations) and 36 weekends. Regular sessions are held on alternate weekends every month.

- The programme is divided into the following modules:
- Business Fundamentals (Module 1)
 - Managing Operations and People (Module 2)
 - Cost, Value and Innovation Management (Module 3)
 - Law and Entrepreneurship (Module 4)
 - Managing the Future (Module 5)

SUMMER ORIENTATION PROGRAMME (SOP)

The SOP provides essential subject knowledge needed to take on the challenges of competitive coursework and the case method pedagogy. The SOP is not graded, but its successful completion is a prerequisite for EMBA. The SOP prepares participants for regular EMBA classes by providing the basic framework in the following modules:

- Business Mathematics
- Introduction to Financial Accounting
- Interpersonal Skills
- Introduction to the Case Method
