Principles of Economics (ECON 100)

Credit Hours: 4

Course Pre-Requisites: No A-Level/Inter Economics background AND no Economics background in LUMS

Course Anti-Requisites: ECON 102 (Economics for Non-Economists)

Instructor/s: Kinza Emad

Schedule: Monday to Friday (2.00 PM – 4.50 PM)

Course Description

This course serves as an introduction to basic economic theory. The tools of this course should provide students with a new way of thinking that will help you make better decisions as a consumer, businessperson, voter, and/or policy maker.

The objectives of the course are to:

- Introduce the basic tools, methods and language of economics to the students
- Apply economics ideas to a wide range of real world problems
- Develop a critical understanding of economic ideas
