Personal Effectiveness (MGMT 373)

Credit Hours: 3

Instructor: Atif Rahim Khan

Schedule: Monday to Friday (8.00 AM – 10.00 AM)

This course has been designed based on inputs from corporate leaders in Pakistan. It includes sessions on national as well as global in-demand skills. It is meant to provide best in practice experiential collective learning as well as individual coaching to help you grow as a person and as a professional. Open learning space sessions will give you an opportunity to learn what is important and relevant for you, based on your individual needs, with the support of your instructor, peers and coach.
